Lubero & Haraoul

~How to Draw Mysterious Creatures~
Solution Chapter

perfectly!

That fake
dog's just
making fun
of me!

What did
you mean by
making it
unique??

I can't
tell... I
can't tell!

Just
what is the
difference
between
his drawing
and mine!?

*Maybe
it's a bit
too tall!!*

**That's
it!**

Ah!

This
must be
Piwi-san!

You've
been
drawing,
huh! You're
so good!

This tall
Piwi-san's
unique and
lovely too!

No... I had
some free
time, so... I
guess I just
started drawing...

You
could
say that
fake dog
forced
me to...

So I
guess
this is
Piwi,
huh...
